

Miyoshi Studio

-Lesson Contract-
-For-

(Student name)

I. Rates

- Half-hour lesson @ \$35
- Forty-five minute lesson @ \$50
- Hour lesson @ \$60

There is a \$10 fee for traveling to the Oakland Area to teach (\$15 extra for central and eastern Contra Costa County).

Lessons generally run 10 – 15 minutes longer than specified time. However, Mr. Miyoshi does have the right to finish promptly at the scheduled time if the student has not come prepared. Half hour lessons are reserved for first year students. Please understand it is very difficult to teach an intermediate/advanced player in a 30-minute slot.

II. Cancellation Policy

If you need to cancel, I require notice at least 24 hours before the scheduled lesson time. If a same day cancellation is necessary, you will be charged for the lesson.

III. Payment Policy

Weekly payment by cash or check is acceptable. Monthly payments are due by the 5th of every month. Students with overdue lessons fees will be denied lessons until all payments are current.

I have read the lesson and cancellation policies and agree to the agreed-upon fees.
